4. brought this team together from what was considered to be  
5. a tenth place ranking to be the State champs in 1st place.  
6. And I'm sure, as we all know, a great deal of the credit  
7. certainly goes to the coach. Coach Sullins.

12. PRESIDENT:
13. Message from the Governor.
14. SECRETARY:
15. A Message from the Governor by Jim Edgar, Director of
16. Legislative Affairs.
17. Mr. President - The Governor directs me to lay before the
18. Senate the following message.
19. To the Honorable members of the Senate, the 81st General
20. Assembly, I have nominated and appointed the following named
21. persons to the offices enumerated below, respectfully ask con-
22. currence in and confirmation of these appointments by your
23. Honorable Body.
24. PRESIDENT:
25. Executive appointments. Ladies and Gentlemen, before
26. we begin the introduction of bills and we will, in fact, be
27. open all day and unfortunately most of the night for the
28. purpose of introduction. On Page 9 of the Calendar on the
29. Secretary's Desk there are some resolutions. HJR...on the...
30. on the Order of the Secretary's Desk on resolutions is HJR 9.
31. Senator Netsch.
32. SENATOR NETSCH:
33. Thank you, Mr. President. I thought we could take this

1. and get it removed from the Calendar today. It is a resolution  
2. which has already passed the House which extends the life of  
3. the Long Term Debt Study Committee just until June 1 of this  
4. year. This...the purpose was to allow the committee to stay  
5. in existence long enough to review the bills that resulted  
6. from our deliberations and to have an opportunity to respond  
7. to any proposed amendments or adjustments that might be  
8. proposed during the course of the legislative deliberations.  
9. So that the...the committee unanimously agreed that we should  
10. stay in existence only until June 1 of this year. I would  
11. seek approval of this resolution so that we could have a  
12. meeting and, in fact, go over the bills that have now been  
13. introduced, with bipartisan sponsorship.

14. PRESIDENT:

15. Is there any discussion? There is an expenditure of  
16. State funds involved, it will require a roll call. Is there  
17. any discussion? If not, Senator Netsch has moved the adoption  
18. of House Joint Resolution 9. Those in favor will vote Aye.  
19. Those opposed will vote Nay. The voting is open. Have all  
20. voted who wish? Have all voted who wish? Take the record.  
21. On that question the Ayes are 51, the Nays are none, none  
22. Voting Present. House Joint Resolution No. 9 is declared  
23. passed.

24. SENATOR NETSCH:

25. Thank you, Mr. President.

26. PRESIDENT:

27. Senator Netsch. Oh. On the Order of the Secretary's  
28. Desk, resolutions. Senate Resolution 71, Senator Mitchler.

29. SENATOR MITCHLER:

30. Mr. President and members of the Senate. Senate Resolution  
31. 71 was heard in the Senate Executive Committee where it received  
32. a unanimous vote. This resolution that requests Congress to  
33. allow states to determine the speed limits on State highways  
34. and on the interstate highways without the loss of Federal

1. highway funds. I know of no objection to this, there is  
2. nothing mandatory about changing the speed limit at this  
3. time. I ask for a favorable roll call.

4. PRESIDENT:

5. Senator Mitchler has moved the adoption of Senate  
6. Resolution 71. Is there any discussion? If not, all those  
7. in favor signify by saying Aye. All those opposed. The Ayes  
8. have it, the resolution is adopted. Senate Resolution 101,  
9. Senator Joyce. Senator Joyce.

10. SENATOR JEROME JOYCE:

11. Thank you, Mr. President. This resolution would create  
12. a Senate committee to investigate and look into and whatever  
13. else they decide to do about the nuclear power in the State  
14. of Illinois and the transportation of hazardous waste as  
15. well as the storage of hazardous waste. It would be seven  
16. members, four appointed by the Senate President, three appointed  
17. by the Minority Leader.

18. PRESIDENT:

19. Senator Joyce has moved the adoption of Senate Resolution  
20. 101. Is there any discussion? Senator Mitchler.

21. SENATOR MITCHLER:

22. Mr. President and Senator Joyce. There has been some  
23. question on this. I think I would ask that it be taken out  
24. of the record at this time...until we can have some discussion  
25. on it. I think you'll get into a discussion on the...resolution.

26. PRESIDENT:

27. Is there any further discussion? Senator Mitchler.

28. SENATOR MITCHLER:

29. The...the question was asked of the Senator if he would  
30. take it out of the...record.

31. PRESIDENT:

32. Senator Joyce.

33. SENATOR JEROME JOYCE:

1. Yes, what is the question? What is the problem with it

2. Senator?

3. PRESIDENT:

4. Senator Mitchler.

5. SENATOR MITCHLER:

6. Well, some of the Senators have come up to me and asked  
7. me if this did not overlap some of the work that is being  
8. done by the Illinois Commission on Atomic Energy with their...  
9. their work in monitoring the nuclear plants and I have to  
10. agree with them that it does. Now, we can create commissions  
11. for this and study commissions for that and everything, but  
12. you're duplicating what is already being accomplished. The  
13. Governor has appointed a special ad hoc committee, Representative  
14. George Ray Hudson, the Chairman of the Illinois Commission on  
15. Atomic Energy is chairman of that ad hoc committee. The...  
16. we're up to, I believe it was Zion yesterday and went all  
17. the way through the plant. They have on that ad hoc committee  
18. representatives from the University of Illinois, knowledgeable  
19. people in the area of nuclear plant operation and I...I think  
20. that that is one example of a committee that is already functioning  
21. and of course I know the genesis of this, had we not had that  
22. incident in Harrisburg, I don't think there would be very  
23. many members of the Senate that would have been concerned about  
24. this. There are those of us who have been serving on the  
25. Illinois Commission on Atomic Energy. We have been visiting  
26. these plants. I personally have visited four or five of them  
27. on different occasions. Revisited them as a member of the  
28. Illinois Water Resources Commission, we have visited them  
29. because much of this material is stored in...in water  
30. containers and there is discharge from the plants. I see  
31. no need in duplicating that. If you felt that a special  
32. report should come out of one of the existing commissions  
33. that we already now have functioning, I'd be glad to go

1. along with that and give a report. But with the Governor's  
2. ad hoc committee of knowledgeable people that are geared to  
3. this, I think that that is suffice and I see no need for this,  
4. Senator Joyce, and I understand that you're interested in having  
5. some type of plan adopted or that down in Grundy County where  
6. the nuclear facility is located as well as the General Electric  
7. storage, but we have extended invitations time after time. I  
8. think three trips have been sponsored by the Illinois Energy  
9. Resources Commission already this year. I have announced them on  
10. the Floor of this Senate and invited you up to visit that. And  
11. the response that we had was nil. Senator...rather Represent-  
12. tative Schoeberlein, Representative Murphy were the only two  
13. that attended the first. I think there was a group of some  
14. sixteen at the...

15. PRESIDENT:

16. Senator, will you conclude your remarks.

17. SENATOR MITCHLER:

18. Thank you. Well, I just don't see any need for it and  
19. if you want to have these things fly up just to get a lot  
20. of publicity and react to something that happened in another  
21. state, why you can have committees and commissions every day,  
22. so I'd ask for the holding up of this rather than the defeat of  
23. it until we can talk it over and resolve your problem.

24. PRESIDENT:

25. Further discussion? Senator Rhoads.

26. SENATOR RHOADS:

27. Briefly, Mr. President, to rise in favor of the resolution.  
28. More than a third of Illinois Power comes from nuclear sources  
29. in the northern part of the State. It is a kind of energy which  
30. is distinct, unique, requires a unique kind of study, separate  
31. and apart from the other types of issues that the other energy  
32.  
33.

1. committees address itself to and I think it's a good resolution.

2. PRESIDENT:

3. Further discussion? Senator Geo-Karis.

4. SENATOR GEO-KARIS:

5. Mr. President and Ladies and Gentlemen of the Senate.

6. I happen to live seven blocks west of the nuclear plant in  
7. Zion and my office is four blocks west of it. I think too  
8. that this is a good resolution. I'm not against nuclear  
9. energy. I think nuclear energy is here to stay and I think  
10. it's necessary. But I do think we owe it to the public  
11. to take every safeguard we can in looking into it and  
12. looking into it as thoroughly as possible and the fact  
13. that the Atomic Energy Commission will be looking into it,  
14. I think they will be taking care of one facet of it, I  
15. think we'll be taking care of another and I certainly know  
16. this, that the constituency where I live have been urging  
17. me to do something fast and I'm in favor of this resolution.

18. PRESIDENT:

19. Any further discussion? Senator Joyce may close the  
20. debate.

21. SENATOR JEROME JOYCE:

22. Yeah, yes, Mr. President, thank you. I think that the  
23. Atomic Energy Commission, I've read the report. I think it  
24. tends to be somewhat biased in its views toward nuclear  
25. energy. I think that people, you know, in some places in  
26. here it says of the...it quotes...to quote the report, it  
27. says, "The Atomic Energy Commission...the NRC uses dilatory  
28. actions to stop the storage and reprocessing of...of nuclear  
29. waste." So I think that the people who live in the shadow  
30. of these nuclear plants are concerned and they want some  
31. action taken right now, they want their fears to be put  
32. to rest. I think that we owe our constituency...this  
33. committee. Thank you.

1. PRESIDENT:

2. Senator Joyce has moved the adoption of Senate Resolution  
3. 101. Those in favor will vote Aye. Those opposed will vote  
4. Nay. The voting is open. Have all voted who wish? Have  
5. all voted who wish? Take the record. On that question the  
6. Ayes are 38, the Nays are 7, 6 Voting Present. Senate Resolu-  
7. tion 101 is adopted. Senate Resolution 86, Senator Wooten.

8. SENATOR WOOTEN:

9. Thank you, Mr. President. This resolution as amended  
10. ...this resolution as amended by the Republican side calls  
11. for a bipartisan committee from the Executive and Appropriations
